Adopt A Spot

Frequently Asked Questions

What is Adopt A Spot?

Adopt A Spot inspires community pride by encouraging action—whether litter picking, planting wildflowers, or creating community gardens. The goal is to empower people to care for their environment, one Spot at a time!

What can I do through Adopt A Spot?

Adopt A Spot is flexible, allowing you to make a positive impact in a way that suits you! Here are some ways others have contributed:

- Clean-ups – Removing litter to keep spaces tidy.
- Community gardening – Growing food for local people.
- Wildflower planting – Supporting pollinators and local wildlife.

Why should I sign up to Adopt A Spot?

With 1,100+ spots revitalized and 20,000 volunteers engaged, you can make a real difference in your community. Join Adopt A Spot and be part of something bigger! Plus, you'll have access to litter picking kits and equipment when available.

How can I apply?

[Click here](#) to get started! All you need to do is create a username and password on Submittable, and once registered, you'll have access to your Adopt A Spot information anytime.

What is Submittable?

Submittable is the platform Live Here Love Here uses to manage campaigns like Adopt A Spot, the Small Grant Scheme, and Community Award nominations. Find more information about Submittable [here](#).

How do I add another group member to my Adopt A Spot profile?

Add another member to your Adopt A Spot profile by making them a collaborator, allowing multiple group members to log in with their own email addresses. Learn how to do this [here](#).

Alternatively, if your group already uses a shared email and password, you can log into your Submittable account that way.

I'm already registered for Adopt A Spot, do I need to re-register my Spot on Submittable?

With 1,300+ spots revitalized and 20,000 volunteers engaged, you can make a real difference in your community. Join Adopt A Spot and be part of something bigger! Plus, you'll have access to litter picking kits and equipment when available.

I previously applied to Adopt A Spot, but I'm unsure if my registration is still active.

The Live Here Love Here team can confirm if your Adopt A Spot registration is still active. Feel free to contact us [here](#).

How do I record my litter picking results?

Once your Spot is approved on Submittable, you can record your litter picking results using the Litter Log form. Here's how:

- Go to your Adopt A Spot submission.
- Click on Forms and look for the Litter Log in the Request Form section.
- (Tip: If you're on a mobile device, you may need to scroll down to locate it.)
- Fill out the Litter Log form and hit submit.

If your spot is registered on the Live Here Love Here website, you can use the Event Calendar function to log your litter picks there.

Can I have more than one Adopt A Spot?

Yes, you can adopt more than one Spot! To do this, simply submit a new application with your additional Spot location. Each Spot will need its own application to ensure it's registered and approved.
